California's Fastest Growing Community . . . 'Best Climate On Earth'

This is the only newspaper in the world that really gives a darn about this community.

Lands Marlin After Three Years' Try

Bill MacQueen's fishing honor has been saved.

It was saved on the day of the fall equinox September 21, when he boated a 96½ pound marlin, but it took three years of ardent fishing to do it.

MacQueen, who operates Bueno's Cafe at 7309 Broadway set a marlin as his goal three years ago. All of his fishing pals have racked up at least one since then. Even the youngsters in his group caught 'em.

According to Harry Griffen, upon whose boat Margaret IV MacQueen was fishing, MacQueen had his day Wednesday. MacQueen fought a marlin he had hooked for 60 minutes. He grabbed the marlin by the sword as he was brought to gaff and another long tussle ensued. Gaffed, the fish was being pulled aboard with the sword stabbing at MacQueen's midriff, according to Griffen. Then MacQueen wrestled the marlin into submission, Griffen said.

MacQueen is proudly passing out cigars and displaying the fishing rig with its 45 pound test linen line on which the marlin was hooked, according to Griffen.

Mailman Rescues Boy Locked Inside Trunk

A Lemon Grove mail carrier was hailed this week as a "hero" and a Lemon Grove father predicted that "some little braves are going to lose some feathers."

The mailman, William Baxter of 8036 Darryl St., smashed open a steamer trunk on the front porch of the home of Mrs. Ann McGahee, 3283 Buena Vista, and rescued 8-year-old David McGahee, who was locked inside.

David, who is a member of the Mohican tribe of "Indian Guides," a father-son group somewhat similar to the Cub Scouts, said that he climbed into the trunk while playing "submarine."

Nine-year-old Bobby Walsh, 7592 Church St., said that he locked the trunk and then nobody could find the key. Bobby is a member of the Mokum tribe. Also in the group were Raymond Sievers, 7, and Timmy Sievers, 8, both Mohicans who live next door to the McGahees.

They ran home and told their mother what had happened. Mrs. Sievers ran over to the McGahee home with a screwdriver and tried to open the trunk. She managed to poke a hole in it to let some air in, but couldn't break the lock.

Mrs. McGahee had gone to town for a few minutes on an errand.

Just then, Mailman Baxter

Coordinating Group Tells Recreation District Progress

1,500 Signatures Said Needed for Calling Election

Protests by representatives of the Spring Valley Chamber of Commerce that they had been "left out" of discussions sparked a meeting Monday night of a group of citizens who are attemping to set up a recreation district in the Spring Valley-Lemon Grove area.

A review of events leading up to setting boundaries for a recreation district under the Community Services District Act was held Monday night at the regular meeting of the Lemon Grove Cordinating Council.

Petitions for the formation of the district were distributed to members by President E. Walter Smith.

"We have more than 200 names of the estimated 1,500 we'll need," the Rev. Smith reported. "Coordinating Council Attorney V. J. Dorman plans to present the petitions to the County Board of Supervisors Friday," he said.

Dorman reviewed the Community Services District Act and explained the reasoning for the present boundaries. "These boundaries are non-political," he said. "They are sociological boundaries based on the community of interest centered at Mt. Miguel High School and a park and swimming pool site on Washington Street in Lemon Grove."

He pointed out that the east boundary is closer to the proposed activities sites than is the western boundary. "This is a break for Spring Valley residents," he said.

Objectors at the meeting included a representative of the Lemon Grove Taxpayers' Association who said his group was "for recreation but against forming another taxing group," and members of the Spring Valley Chamber of Commerce who said they did not oppose recreation but resented the fact that the chamber had not been notified that part of Spring Valley

Hegland Blasts Russian Super-Education Claim

State Assemblyman Sheridan Hegland of La Mesa last week ridiculed the recurring statement that education in Russia is better than the education given students in the United States.

"Krushchev," he said, "says that his country graduates more engineers that we do. This is the half-truth for which the Russians are famous.

"What they don't mention is that when you consider all of the physical sciences (including biology and other 'non-missile' fields) our colleges and universities graduate eight or nine times as many students each year."

The assemblyman went on to say that his "chief regret" in the matter of Krushchev's current visit to the United States is that the Russian premier did not visit an American high school, which Hegland termed "the most American of all American institutions."

He said that in the United States, 85 out of every 100 boys and girls who are eligible to attend high school do so—but that the ratio in Russia is only 12 out of 100. "Theirs," he said "is the ideal of educating the select few."

Hegland turned to the California water problem in his talk, made Friday before the Lemon Grove Men's Club.

He said that "most of San Diego County" is in favor of the California Water Plan, which would pipe Northern California water all the way to the San Diego area — but said that the issue when it comes up for a statewide vote will lose in the San Francisco Bay area, may lose in the Los Angeles and Orange County area and will be "very close" in the total state vote.

"We should try to get all possible votes in favor of the bill here in San Diego County," he said, "to offset the unfavorable votes in other areas."

John Dail, Lemon Grove insuranceman who recently resigned as deputy state treasurer to return to his local business in preparation for entering the forthcoming race for a seat on the County Board of Supervisors, a seat currently held by Dave Bird, will be guest speaker at the Men's Club this Friday.

County Road Department Stalls Broadway Project

First through the street after the ribbon was cut were (in background) horsemen Frank Bettencourt and Bob Howell, with Marilyn Sima, Miss Lemon Grove, who rode through in a new convertible.

Engineer Urges Center Islands For Traffic Flow

Cites Accident Rate In Urging Board To Divide Street

SAN DIEGO (CNS) — Action on the request of Lemon Grove property owners for the improvement of Broadway, from College Avenue to Olive Street, without any islands separating the traffic lanes was put off Monday by the County Board of Supervisors, due to continued opposion to the plan from the road department.

Supervisors received a three-page letter, diagrams and cost breakdowns on the proposed project from David K. Speer, road commissioner and county surveyor, and Speer cited at length, his views of the disadvantages of the proposed "no islands" plan.

"Peak-period congestion caused principally by left-turn delays will limit the practical capacity of an undivided four-lane major business street to about 18,000 vehicles per day, which approximates the present traffic volume using the route," Speer wrote.

He said that the anticipated increased growth of the Lemon Grove area eventually would require that left-hand turns on Broadway be prohibited and that curb parking be restricted near intersections, to permit the resulting greater flow of traffic to be handled.

He also charged that the plan proposed by local interests was not as safe as a street with islands. "The safest four-lane major street yet devised is the divided roadway, as has been nationally demonstrated and acknowledged," he said. "This results coincidentally from the prohibi- of mid-block turns, provision of left-turn storage lanes and provision of pedestrian refuges inherent in a center island design."

Speer added that the accident hazard is greatest where there is the most congestion, and he presented Supervisors with comparative figures for accidents on Broadway and on University Avenue, which is a divided street. University's accidents were about a third of those on Broadway as it now is.

Speer advocated retaining the original plan for a center island on Broadway because of this greater traffic he said it would handle, its greater safety, the need for left-turn lanes to make traffic signals most effective, for the fact a 60-inch storm drain could be installed under the island instead of smaller pipes

The DIMMER VIEW

by MAX GOODWIN

Frightening rumbles are again erupting from the antiseptically clean, and usually sound-proof, halls of our district hospital over at Grossmont.

This time the rumbles come from one of the hospital's key staff personnel, Mrs. Drusilla Hegarty, Grossmont Hospital Surgical Supervisor, who quietly turned in her time-card last week and announced, "I quit."

When a key executive of a public institution quits suddenly, it is newsworthy. When such a figure decides to make public utterances, the utterances should be heard in full by district taxpayers because inner-sanctum criticism of professional institutions is seldom let out. There's a code which frowns on medical linen-washing. The code, I suspect, could also protect those in charge who indulge in bad hospital practices.

I recall the battle this newspaper waged a few years back to get the hospital board of directors to give a fair shake to taxpayers of the district. This they did to the tune of $2 a day room-rate reduction but they also raised the whole rate structure by $2. This is a miserable crumb for property owners who have to carry the burden of financial responsibility for the hospital that may be used by any ill person from Los Angeles to Tijuana, and theoretically, at least, by any qualified doctor. Let me add the latter is theory only as some taxpaying-district doctors have learned.

Then there was the time when Director Homer Streich, one of the originators of the district, told me the public had no right to know the workings of the hospital they had been allowed to finance. We correctly printed his statements and this helped defeat him for election.

Although Streich was renounced by the voters of the district, the board bided their time, then appointed him district treasurer. From such a vantage point he ran for the directorship again and was seated. This was enough to convince me that the Grossmont Hospital board of directors are more sensitive to their own determination than the wishes of the taxpayers.

Just a few days ago the EL CAJON VALLEY NEWS lashed out at the hospital board and administration for the decision to provide television sets for patients at the taxpayers' expense. In this I concur with the NEWS to the extent that a patient sick enough to have to pay the high daily rate at the hospial is too sick to enjoy television at our expense.

Against such a background comes the latest rumble. Mrs. Hegarty, a registered nurse, who has been Grossmont's Operating Room Supervisor for four years prior to her resignation September 16, recited her charges to us. These allegations were then recited by us to Louis Peelyon, Grossmont Hospital Administrator. Mrs. Hegarty's allegations and Mr. Peelyon's replies are listed as they were given.

Mrs. Hegarty's Allegation:

A shortage of competent operating room help exists at Grossmont Hospital. It has existed off and on for four years but it reached an acute stage earlier this year. Additionally, surgeries increased 17 percent during the first 7 months of this year as compared with 1958, without personnel increase.

Mr. Peelyon's Reply:

There is a hospital help shortage all over the U.S. However, two new operating room employes were hired the week prior to Mrs. Hegarty's resignation.

Allegation:

Help shortage had been discussed with doctors who use Grossmont Hospital operating rooms. Because of this I was asked to resign on the basis of insubordination.

Reply:

The resignation, in her own handwriting, lists "dissatisfied" as the reason. On file also are two inquiries regarding her applications for employment elsewhere, an indication that she was planning to leave the employ of Grossmont Hospital.

Allegation:

Repeated complaints regarding personnel shortage was made

Big Crowd Gathers For Imperial Ave. Festive Function

A crowd of several hundred people gathered Friday evening for festivities officially opening newly-widened Imperial Avenue in Lemon Grove and officially ending a membership drive conducted by the Lemon Grove Chamber of Commerce.

The crowd saw County Supervisor David Bird cut a ribbon to open the street; saw horsemen Frank Bettencourt and Bob Howell escort Marilyn Sima—Miss Lemon Grove—over the ends of the ribbon;

Applauded loudly during and after a performance by Chief Black Hawk and his Indian dancers, including Chief Running Elk, who is 85 years old;

Tapped their feet to the rythms of the Mt. Miguel High School Pep Band;

Applauded the appearance of a whole string of fire trucks from the Spring Valley and Lemon Grove fire departments;

And wound up the evening by dancing in the street to the music of Al Sodos and his Fiesta del Pacifico orchestra.

Chamber of Commerce officials reported that they recruited three dozen new members during the week's membership drive.

Communist Magazines Appear Here As Khrushchev Visits L.A.

Is there a communist apparatus in Lemon Grove?

Apparently there is if distribution of Soviet sponsored magazines is a criteria.

Mr. and Mrs. Melvin Harter, 8516 Troy Street, Lemon Grove received four Soviet magazines unsolicited Saturday.

Harter, an engineer with Convair, said the four magazines supporting Russian propaganda views were placed in his auto while his wife was shopping at a Lemon Grove market.

Two of the magazines titled USSR resemble Life Magazine published in the United States. The other two resemble closely U.S. News and World Report. The latter carry the title Northern Neighbors and are published in Canada.

The magazines were placed in the auto at the time USSR Premier Krushchev was making his appearance in Los Angeles.

It could not be learned whether the magazines were distributed to others autos in the parking lot. Anyone else who found similar magazines is asked to contact either this newspaper or the San Diego office of the FBI.

Grove Man To Head Sheriff's Rodeo Horsemen

A Lemon Grove tax and insurance man, Bob Howell, will be parade marshal of the Fifth Annual Sheriff's Rodeo when it is held in Westgate Park October 3 and 4.

Mr. and Mrs. Howell have organized an opening parade of amatuer horsemen who will display $250,000 worth of silver mounted bridles and saddles.

Accomodation for more than 8,000 persons on the theatre-type seats and unlimited parking will be provided. A colorful added feature will be the hour-long exhibition of 500 square dancers. Dee Ferguson, a square dance queen, will also reign as queen of the Rodeo. Grand Marshal will be Peter Brown, television player in "Lawman."

More than 150 cowboy stars will compete in the bronc riding, steer busting and calf roping for prizes amounting to $7,000.

The rodeo is a non-profit project of the San Diego County Sheriff's Relief Association. Proceeds go to aid County Sheriff's Officers injured in the line of duty, or to the families of those killed while serving.

Engineer Urges Center Islands

(Continued)

along each curb and the provision center islands give for the difference in altitude between the two sites of Broadway.

Supervisors two weeks ago were petitioned by local property owners to approve improvement of Broadway to a 62-foot right of way, with the four lanes to be divided only by center-striping in paint. Proponents said a four-lane street would be a freeway taking shoppers away from town.

How to improve the street had been a subject of local controversy for a number of years, and the delegation that asked Supervisors for the new plan said the community was unanimous on the subject for the first time.

Supervisors then directed the road department to prepare an estimate of the cost of paving Broadway according to the wishes expressed by the property owners.

Speer's estimates, submitted with his protest against the project, put the total cost of 62-foot undivided Broadway from College avenue to Olive street at $288,459. This includes two new and one reconstructed traffic signals, at $25,000, and $23,078 for engineering fees. The road would be built with a 15-inch base of imported rock materials, with a topping of three inches of plant mix surfacing and a seal coat.

Drainage is estimated at $62,692, and almost 12,000 yards of excavation are included in the project. The cost of curbs and gutters is put at $2 per linear foot, making a total of $17,568.

Supervisors put $240,000 in the 1959-60 budget for the improvement of Broadway. In addition, another $200,000 was allocated in the budget for the purchase of right of way.

was to be included in the proposed District.

President Smith said copies of the petition may be obtained from the office of this newspaper, 7834 Lester Avenue, Lemon Grove. After the petitions are signed, they may be taken either to the newspaper office or to the Lemon Grove Chamber of Commerce office, 7350 Broadway.

President Smith said a program of information would be started after the required number of petition signatures had been acquired and the petitions accepted by the County Board of Supervisors.

"No operational cost can be estimated until it is known what facilities will be wanted," he said. "I should think that a program utilizing all of the school facilities would be the first step. A senior citizen's program is also vital," he said. "It will be up to the commissioners who will be elected at the time the district is formed to set these elements in motion," he pointed out.

The Lemon Grove Coordinating Council meets on the third Monday of each month at 7:30 at the junior high school auditorium.

Mailman Rescues Boy in Trunk

came along on his daily round. He got a pickaxe from the Sievers garage and smashed the lock off the trunk.

An extremely scared little boy climbed out.

Later, Baxter said that he hadn't said anything about the event because he considered it "just in the line of duty."

But everyone in the neighborhood was glad that "Bill" had come by when he did.

Joe Sievers, father of two of the boys involved and a "Big Brave" in the Indian Guide tribe of Mohicans, said that the matter isn't over yet.

"When a little brave does something good," he said, "he gets a feather for his headdress. When he does something wrong, he loses a feather.

"I'll bet that these braves lose a whole lot of feathers over this."

to Grossmont's director of nurses (Mrs. Arelia Kelly) but the overwork situation was eased only occasionally and for short duration at a time.

Reply:

Surgery Supervisors (Mrs. Hegarty's classification) are responsible for setting up technicians' training program. This is how other hospitals solve their operating room technicians personnel problems.

Allegation:

When director of nurses (Mrs. Kelly) was not able or willing to correct overwork conditions due to lack of personnel, several nurses, including myself, registered complaints with Grossmont Hospital Personnel Director, (Miss Catherine Cline).

Miss Cline was then instructed by her superiors to cease discussions regarding nursing personnel and to restrict discussions to kitchen, housekeeping and office personnel, solely. Of recent months complaints were no longer registered because it was obvious that no action was going to be taken to help the situation.

Reply:

Standard operating procedures for hospitals is that personnel director handles all other than nurse personnel. Overwork conditions do exist but only in relation to the number of emergency cases over which the hospital has no control. Example Scripps averages 170 emergencies for every 695 at Grossmont. There is no surgical crew in any hospital that won't extend itself under emergency conditions. Even the California Labor Code exempts emergency room employes because of this uncontrollable condition. Day crews, while remaining "on call" get "on call" fees plus time and a half pay.

Allegation:

The P.M. shift (3-11) is un-manned. The day shift (7-3:30) is required to work 16, or double, hours. This shift complains regularly and efficiency has dropped alarmingly. There are seven day-shift employes. Five are distressed and complained regularly. Of the two remaining, one resigned during the past week.

Reply:

Of the 40 original nurses who started when Grossmont was opened, 21 are still there. This indicates good working conditions. (There are approximately 100 nurses employed at Grossmont now).

Allegation:

Inequities in pay produces a separation as much as $35 a month to persons with the same qualifications and ratings. This has lowered morale of those discriminated against.

Reply:

No inequities exist intentionally. All salaries are classified and salaries relate only to qualifications.

Allegation:

Technicians hired for operating room work are inadequately trained. Some are hired off the street and pressed into service as scrub technicians and circulating technicians. They worked in close proximity to the actual surgery.

Reply:

The Surgical Supervisor (Mrs. Hegarty) is responsible for the training program for her department. All department heads set up their own programs and provide trainees. The department head alone must assume this responsibility.

Allegation:

There is no training program at Grossmont and no standards have been set for surgery technicians.

Reply:

Part of the duties of department heads is to train people for the job. Department heads have the responsibility to set up training programs and start people through the training routine. Standards are set by the job requirements. Ability and knowledge are part of the classification.

Allegation:

Licensed Vocational Nurses' program designed for extended operating room training was requested. No interest was shown in such a program by hospital superiors.

Reply:

This is untrue. We are on our fifth class of Licensed Vocational Nurses' training. As a matter of fact it is the only program in San Diego County except for the San Diego Vocational School program. We hold two classes a year in a quonset hut acquired for that purpose. However, it is up to department heads to start personnel through these classes.

Allegation:

Air conditioning for surgery has been inoperative since the summer of 1957. Continuous complaints from the staff have brought no repairs. The hospital engineer reported he has done everything possible within his authority to get repairs made. Recently doctors asked Claude Dooley (hospital controller) and Peelson to visit the operating room to share the discomfort.

Reply:

This is not so. The air conditioner is operating regularly and is in a good state of repair

There is some misunderstanding about hospital air conditioning. State Code requires hospital cooling to be no cooler than 70-80 percent of outdoors temperature. Humidity must be maintained at 55 percent. On dry days we are forced to pump steam into the system to lift the humidity to requirements. Static electricity could cause an explosion. Controlled conditions for persons under shock of an operation is another basic reason for the regulation.

Marching Band From Mt. Miguel To Play Friday

"It appears that this year's band may be the best we've had yet, with many of last year's band members returning and a good group of freshmen coming in." This was the comment of Lawrence K. Christianson, director of the Marching Band at Mt. Miguel High School.

Among the many activities of the band for the fall of 1959 will be included this Friday's Metro League Football Carnival. This year Mt. Miguel is the host school for the Carnival, assuming the duties of ticket and program-planning, sales, and planning band themes and activities. A new feature at the Carnival this year will be a mass band performance at halftime. The schools which participate in the Carnival will combine their bands for the marching entertainment. The Carnival will again be held at San Diego State College's Aztec Bowl.

On November 28, the band will travel to Long Beach for the All-Western Band Review, a competitive parade which draws about 65 bands from San Diego to Fresno and north. Last year, Mt. Miguel's Marching Band placed first in their division, bringing home second place in the sweepstakes award.

The Corona Band Jamboree, which takes place on December 5, will be the next challenge for the band. The Jamboree consists of a competitive event in which each band and specialties group presents a halftime show for judging.

According to Christianson, the band also will present the halftime entertainment at the Los Angeles Rams - Baltimore Colts football game at Los Angeles on December 12.

Six Gridiron Teams Eye Friday Carnival

by Bill Ott

Mt. Miguel High School will host the sixth annual Metro League Football Carnival to be held this Friday evening in Aztec Bowl at San Diego State College. The Pageantry Program will begin at 7:30 p.m. Kick-off time is slated for 8 p.m.

All the bands and specialties groups will be performing in the program. Each team will play for one quarter in the "three quarter game."

The West will be represented by Escondido, El Cajon, and Helix. El Capitan, Grossmont, and Mt. Miguel will be playing the East. El Capitan tangles with Escondido in the opener and Grossmont and El Cajon will meet in the second tilt with Mt. Miguel and Helix playing in the finale.

The East schools will be seated on the east side of the bowl and the West schools will sit on the west side.

Chula Vista, Sweetwater and Hilltop, other Metro League members, will have a Carnival Friday evening on the Chula Vista High School gridiron. Mar Vista High, Avocado League member, also will play in the Carnival at Chula Vista.

Saturday night league openers find Mt. Miguel at Escondido, Grossmont at Helix, Sweetwater at El Cajon, Hilltop at Chula Vista, and El Capitan at Mar Vista in a non- league tilt. Kick-off time for all games will be 8 p.m.

Writers Club To Discuss Vacations

"My Vacation" will be the subject of manuscripts to be read at the Monday meeting of the La Mesa Writers Club. The meeting is scheduled at 1:30 p.m. in the Porter Park hall (old La Mesa library) University and La Mesa Blvd., east entrance. Members may bring guests, says Mrs. Gladys Orr, president. The manuscripts may be either in the form of a poem or article.

The La Mesa Writers Club has several openings for memberships. Any person who is interested in creative writing may apply for membership at the Monday meeting. The club is planning for its annual writers conference to be held October 16-18, at the desert home of Mr. and Mrs. (George and Edith) Boutwell, 11 miles north of Twenty-Nine Palms. A contest of fact, fiction or fancy will be held during the conference, with prizes given for the top manuscripts. The contest is open to members only.

Air Conditioned!

What a happy difference *air conditioning* makes!

Air conditioning cools the air... cleans it of dirt, dust, and pollens... controls humidity... and circulates fresh, crisp air quietly and evenly.

Air conditioning simplifies housekeeping... encourages restful sleep... revives wilted appetites . . . and adds zest to entertaining.

You'll find air conditioning systems for your entire home, or for just one room. And central *year-round* air conditioning cools your home in summer and warms it in winter!

In most cases, air conditioning increases the value of your home far more than the cost of installation. But — remember — your specific air conditioning needs are determined by many factors, including your home's size, design, exposure, and insulation. Only a qualified expert can provide *adequate* air conditioning. And only *adequate* air conditioning can provide trouble-free comfort, year after year.

Talk with an air conditioning expert today. He'll be happy to check your home — or your office or shop — give you an estimate, and arrange a convenient payment plan. Consult the Yellow Pages of your telephone directory.

Beta Sigma Phi Sorority Plans Hawaiian Event

San Diego City Council of Beta Sigma Phi International Sorority will hostess the regular meeting of Mission California Council on Sunday in the El Cortez Hotel, Carribean Room, at 10 a.m. A Hawaiian theme will be carried out for this breakfast meeting, entitled "Aloha Malihini."

Mrs. Donald Yates of Barstow, President of Mission California Council, will conduct the business meeting for approximately 300 members of the sorority who will attend from Riverside, Imperial, San Bernardino and San Diego counties.

Mrs. Lawrence Glode of 1630 Drexel Drive, Lemon Grove, a member of Xi Nu chapter, is chairman of the event.

Table decorations will be miniature Hawaiian settings, including dolls dressed in native costumes. Also included in decor will be artificial leis, fish netting, palm trees and flowers.

Following the business meeting a musical program will be presented. Mrs. Robert Love, 4202 Beacon Road, La Mesa, of Lemon Grove Theta Omicron chapter is in charge of the entertainment. Mrs. Charles Olsen, 2731 Highland Avenue, San Diego, who is the President of the Lemon Grove Xi Eta Alpha Chapter is in charge of reservations.

Dancers from the Kealoha Dance Studio, headed by Emma (Kaheleilani) Bishop, exponent of the "ancient hula" of Hawaii, will perform for the sorority. "Mama" Bishop has danced at many local festivities.

Mrs. Clifford Drake, 2665 Corona, Lemon Grove, Xi Gamma Chapter; Mrs. George Amisen, 3476 Trophy Drive, La Mesa, Xi Beta Xi Chapter; and Miss Brenda Decker, 8045 Carlette, La Mesa, Phi Alpha Theta Chapter are also on the breakfast-meeting committee.

Local members holding offices in Mission California Council who will make reports at the business meeting are: Mrs. John Thio, Xi Zeta Iota Chapter, Vice President; Miss Peggy Jones, Phi Alpha Eta Chapter, Recording Secretary; Miss Angie Fox, Rho Rho Chapter, Director; and Mrs Morris R. Pion, Xi Beta Gamma Chapter, Philanthropic Chairman.

Gardening Class Seeks Beginners

More students are needed for the newly forming beginners gardening class at Mt. Miguel High (night) School. The class began Tuesday night of this week and will continue each Tuesday night, 7 to 9, as long as it is requested. It is necessary to have 15 or more people in the class for it to continue. Mrs. J. Fairbanks is instructor. The course covers all phases of gardening; flowers, shrubbery, and trees, both decorative and fruit. For an advanced class, landscaping will be given.

COME IN AND WE'LL TELL YOU ALL WE KNOW!

What's the story on the new Ford Falcon?

HOW BIG WILL THE ALL-NEW FORD FALCON BE? HOW MANY PEOPLE WILL IT CARRY? HOW ABOUT POWER?

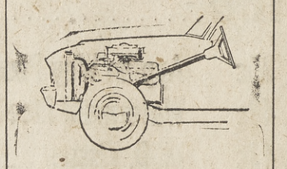
To start with, in the New-Size Ford—the Falcon—you *save* but never "do without!" You get modern, fine-car styling, six-people room and comfort, a car that's born and bred for the *American* road!

LET'S TALK ABOUT STYLING FIRST!

You'll be amazed by the Falcon's beauty. No "stubbiness" of other cars in this field, but low, sleek, European flair in beautifully proportioned style . . . "wide open" visibility all around . . . interior styling that's fresh and smart. The Falcon is Ford's way of proving a *true* economy car needn't suffer in looks or ride.

LET'S TALK ABOUT THE ALL-NEW FALCON'S SIX-PASSENGER SIZE!

In both 2- and 4-door models, the new Falcon will have full-width, full-depth seats for six adults. Plus room in the spacious trunk for all their luggage! And it can turn and park just as easily as most of those 4- and 5-passenger imported jobs!



LET'S TALK ABOUT HOW IT'S BUILT!

Like the fabulous Ford Thunderbird, the Falcon's built in the latest single-unit construction . . . adding extra inches everywhere inside . . . making the car one solid, quiet, integrated structure.

LET'S TALK FALCON PERFORMANCE!

The all-new six-cylinder engine's up front for greater safety and stability . . . will deliver up to 30 miles per gallon of regular gas . . . has a water-cooled engine which permits use of a water-type heater that's safer, never robs you of gas mileage. You can get an automatic transmission in the Falcon, too!

AND NOW . . . ABOUT THE FABULOUS FALCON EXPERIENCE RUN, U.S.A.!

Topping off 3 years and 3 million miles of research and development, a fleet of new Falcons is traveling every mile of U.S. highway to prove its "30-miles-per-gallon" average . . . and to *prove* it takes to the roads you drive, right around your home, like a duck takes to water!

YOU MEASURE THE FALCON'S SAVINGS IN MANY MORE WAYS THAN GAS AND OIL SAVINGS ALONE!

Take the price. Though we can't give you the figure just yet, you can be sure the Falcon's price will help *prove* it's the savingest car, *right from the start!* Actually, we've just started to scratch the surface of the Falcon news, here. Come in. Bring all your questions, but make it soon. We have many orders in already.

Re Grading, Paving and the Construction of Concrete Curbs and Necessary Drainage Structures in 68th STREET et al., in the Vicinity of LEMON GROVE, Area No. 95, RID No. 6029 . . . . . .)

RESOLUTION OF INTENTION

WHEREAS, the reports prepared pursuant to Division 4 of the Streets and Highways Code (Special Assessment Investigation Limitation and and Majority Protest Act of 1931) covering a proposed street improvement, to wit: Grading, paving and the construction of concrete curbs and necessary drainage structures in 68th STREET et al., in the vicinity of LEMON GROVE, Area No. 95, Road Improvement District No. 6029, in a portion of the unincorporated area of the County of San Diego, are on file in the office of the Clerk of the Board of Supervisors of the County of San Diego, Room 306, City and County Administration Building, 1600 Pacific Highway, San Diego, Californ. nia, and may be examined at said office; and

WHEREAS, on May 12, 1959, pursuant to said Division 4, the Board of Supervisors of the County of San Diego adopted a resolution by not less than four-fifths vote of all members that the lands to be assessed will be able to carry the burden of the proposed assessments and that the limitations on the amount of assessments may be exceeded and dispensed with both with respect to the limitations as to the district as a whole and as to individual specific assessments; and

WHEREAS, the Board of Supervisors has designated the County Surveyor of the County of San Diego as the Superintendent of Streets and the Engineer to perform any and all duties conferred upon the Superintendent of Streets or the Engineer by the Improvement Act of 1911 in connection with the work and improvement and assessment hereinafter described; NOW THEREFORE,

On motion of Supervisor Bird, seconded by Supervisor Gibson,

IT IS HEREBY RESOLVED that public interest and convenience require and it is the intention of the Board of Supervisors of the County of San Diego (hereinafter referred to as the Board of Supervisors) to order the following work to be done and improvement to be made, to wit: Grading, paving and the construction of concrete curbs and necessary drainage structures in:

68th Street

That portion of 68th Street lying between the southerly line of the North ½ of Alamo Way and the easterly prolongation of the northerly line of Lot 64, Superior Heights, Map No. 1789.

Alamo Way

That portion of the North ½ of Alamo Way lying between the southerly prolongation of the westerly line of Lot 72, Superior Heights, Map No. 1789 and the southerly prolongation of the easterly line of Lot 7, Dennstedt Terrace, Map No. 2608.

Tower Street

That portion of the southerly 20 feet of Tower Street lying between the easterly line of 68th Street and and the northerly prolongation of the easterly line of Lot 1, Dennstedt Terrace, Map No. 2608.

Easements

The northerly 20 feet of the easterly 20 feet of Lot 64, Superior Heights, Map No. 1789.

The southerly 25 feet of the easterly 20 feet of Lot 72, Superior Heights, Map No. 1789.

The southerly 4 feet of the easteasterly 55 feet of Lot 64, Superior Heights, Map No. 1789.

Also, the northerly 4 feet of the easterly 55 feet of Lot 65, Superior Heights, Map No. 1789.

All of the said work hereinbefore generally described shall be constructed in the manner, to the grades, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor, contained in Document No. 269314, on file in the office of the Clerk of said Board of Supervisors, and copies of which are on file in the office of said Engineer, and by this reference thereto, all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Board of Supervisors hereby determines and declares that serial bonds shall be issued to represent each assessment of Fifty Dollars ($50) or more remaining unpaid after the full expiration of thirty days from the date of the warrant to represent the expenses of said work and improvement. Said serial bonds shall extend over a period ending nine years from the second day of January next succeeding the next October 15th following their date, and an even annual proportion of the principal sum thereof shall be payable, by coupon, on the second day of January every year following the next October 15th after their date until the whole is paid. Said bonds shall bear interest at the rate of six percent per annum, interest payable semi-annually, by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911 and amendments thereto; and if said bonds are redeemed before maturity and before commencement of proceedings for sale, in addition to all other sums unpaid and accrued a premium of five percent (5%) of the unpaid principal shall be paid.

The contemplated work and improvement hereinbefore mentioned is, in the opinion of said Board of Supervisors, of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Board of Supervisors does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to wit: All that real property in the County of San Diego included within the exterior boundary lines of said district, as shown upon that certain map bearing number RID 6029, indicating the exterior boundary lines of such district, which map, approved by said Board of Supervisors, is on file in the office of the Clerk of said Board of Supervisors of the County of San Diego as Document No. 269315, excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said map for a particular description of such district.

It is the opinion of said Board of Supervisors that the public interest will not be served by allowing the property owners to take the contract for the work to be done under these proceedings.

NOTICE IS HEREBY GIVEN that on Tuesday, the 13th day of October, 1959, at 11:00 o'clock a.m., in the chamber of said Board of Supervisors of the County of San Diego, Room 310, City and County Administration Building, 1600 Pacific Highway, San Diego, California, any and all persons having any objections to the proposed work or improvement, to the grade at which said work is to be done, or the extent of the district to be assessed to pay the costs and expenses of said proposed work of improvement, may appear before said Board of Supervisors and show cause why said proposed improvement should not be carried in accordance with this Resolution.

Such protest, if any, must be in writing, and must contain a description of the property in which each signer thereof is interested, sufficient to identify the same, and shall be delivered to and filed with the Clerk of the Board of Supervisors of the County of San Diego, in Room 306 of said City and County Administration Building, not later than the hour hereinabove set for hearing. No other protests or objections will be considered.

The Clerk of this Board of Supervisors is hereby directed to cause this Resolution of Intention to be published twice in the Lemon Grove Review, the newspaper hereby designated for that purpose by this Board.

The Clerk of this Board of Supervisors is hereby directed to mail notice of the adoption of this Resolution of Intention, postage prepaid, to all persons owning real property proposed to be assessed, whose names and addresses appear on the last equalized County Assessment Roll, or as known to said Clerk, all in the time, form and manner required by law; if property assessed by the State under Section 14 of Article XIII of the Constitution is proposed to be assessed, such notice shall be mailed to every owner of such property at the address thereof shown on the last board roll transmitted to the County Auditor as required by Section 5070, Streets and Highways Code. The Clerk of this Board of pervisors shall, upon completion of the mailing of said notices, file with this Board an affidavit setting forth time and manner of the compliance with the above requirements for mailing such notices.

The Superintendent of Streets shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open streets within such district at not more than three hundred feet in distance apart on each street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the office of the Clerk of this Board of Supervisors an affidavit showing the posting of said notices of improvement.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911," and amendment thereto.

PASSED AND ADOPTED by the Board of Supervisors of the County of San Diego, State of California, this 8th day of September, 1959, by the following vote:

AYES: Supervisors Gibson, Bird Dent, and Austin.
NOES: Supervisors None.
ABSENT: Supervisor Howell.

I, R. B. JAMES, County Clerk of the County of San Diego, State of California, and ex-officio Clerk of the Board of Supervisors of said County, hereby certify that I have compared the foregoing copy with the original resolution passed and adopted by said Board, at a regular meeting thereof, at the time and by the vote therein stated, which original resolution is now on file in my office; that the same contains a full, true and correct transcript therefrom and of the whole thereof.

Witness my hand and the Seal of said Board of Supervisors, this 8th day of September A.D., 1959.

Globe Theater Slates Satire

The Old Globe Theatre of Balboa Park presentation "Visit To A Small Planet" which opened Tuesday will run for 25 performances through Oct. 18. A matinee will be played Oct. 10 beginning at 2:30 p.m.

"Visit To A Small Planet" is a satirical New York comedy hit, with a hero from out of this world — a voyager from outer space who visits the small planet called "Earth" because its inhabitants have long been a hobby of his. To this superior being, the frantic earthdwellers have the fascination that an ant-hill might have for an inquisitive child. For him they are most curious when in a war they kill each other off, and he has arrived specifically to observe the American Civil War at close range.

When he discovers that he has miscalculated his timing and has arrived nearly 100 years late, he decides to churn up another war for his own entertainment, until an ingenious earth dweller outwits him. The traveler from afar is portrayed by Robert Hartle.

Square Dance News . . .

FRONTIER SQUARES

Frontier Squares' next dance will be held at National City Armory on Saturday, Sept. 26. This will be the long-anticipated "Presidents' Ball."

This dance is an elegant buffet-supper affair where each of the presidents from all of the square dance clubs is to be hosted by your presidents.

To assure huge servings of food and plenty of room for dancing, attendance is to be limited.

PROMENADERS

September 9 was Reminiscence Night at the Promenaders Square Dance Club, with Frank Dyson calling all old numbers. Guest caller was Al Rider. Host and Hostess were Merle and Doris Pierce and Chuck and Marguerite Pylant.

On September 2, the club held a surprise 40th wedding anniversary dance for two charter members: Irl and Goldie Kaupp. They were presented gifts by the club, including a gold engraved picture album with pictures. Guest callers for the evening were Al Rider, Bill Keller, Ron East, Del Lake and Tom Montague.

COUNTRY COUSINS

September 12 marked the Country Cousins' third anniversary dance. It was a gala affair. Since it was also the third wedding anniversary of our very adept caller, Ray Columbe, and his lovely wife Ann, it was indeed an evening of gaiety. Many new and old faces made our dance particularly enjoyable. Come dance with us again soon.

John Scott Trotter To Head Lions Clubs' White Cane Event

Ted Husing, well known sports newscaster, now residing in Pasadena, turned over his badge of office as 1958 national honorary chairman of White Cane Days yesterday to John Scott Trotter, prominent musician and orchestra leader, who has been appointed 1959 national honorary chairman by Karl Barnum, national chairman of Lions, International, sponsors of the annual philanthropic event which contributes to the aid of the blind.

White Cane Days, which will occur in California and Nevada on October 9 and 10 this year, were instituted in Monterey Park nine years ago and are now observed internationally, Barnum said.

More than 60,000 Lions members in the two states including Lemon Grove Lions and Spring Valley Lions will participate in the fund-raising to aid the blind. Raymond E. Marks of San Francisco, chairman of the council of governors of Lions Clubs of California and Nevada, reported that Lions in each community had made preparations for White Cane Days.

ANNUAL BANQUET OF MINISTERS

The annual banquet of the San Diego Association of Congregational Churches and Ministers will be held on Monday in the House of Hospitality, Balboa Park. This will celebrate 64 years of an active organization of Congregational Churches in San Diego County, having been founded in 1895.

S.V. BULLETIN — Sept 10, 17, 24 & Oct. 1, 1959

Mrs. Shaw Dies at 67

Marie Shaw, 67, of 6910 Mt. Vernon Avenue, died Monday at San Diego County General Hospital of pneumonia following a short illness.

Mrs. Shaw, a resident of San Diego County for 23 years, was a member of the Lemon Grove Southern Baptist Church. Her sole survivor is her husband Harrington Shaw.

Services will be held Friday at 8:45 a.m. at Conrad's Lemon Grove Mortuary followed by interment at Ft. Rosecrans National Cemetery.

Area Rock Hounds Eye El Cajon Weekend Display

Fifty competitive displays of gems, minerals and fossils will be exhibited by members of the El Cajon Valley Gem and Mineral Society, Inc., this Saturday, 10 a.m. to 10 p.m. and Sunday, 10 a.m. to 8 p.m., in the Rotary hall (old library building), El Cajon. Also to be shown will be collectors' items usually shown only at federal and state gem shows. The largest collection of Indian turquoise jewelry in the Southwest will be on display for the first time.

Guest displays will also feature tourmaline from the world-famous Mimalaya mine. Jade carvings, silver work and faceted gems will be on exhibit as will a special display of San Diego county minerals.

Trophies and medals will be awarded in the competitive divisions. Judging in the mineral divison will be by a qualified mineralogist, and a qualified gemologist in the lapidary division.

This year the society will feature a swap table in which all rock hounds in the area are invited to bring their slabs and specimens to trade with guests and members from other societies in and out of the county and state.

Admission to the public will be free.

What's Doing In the PTA?

The budget for the coming year will be presented for approval by members at the 7:30 p.m. meeting this Thursday of the Monterey Heights PTA. A "get acquainted" dinner also is scheduled.

At a recent executive board meeting, the following chairmen were ratified: Mrs. H. G. Patton and Mrs. K. Combs, child care; Mrs. C. W. Carlson, hospitality; Miss Helen Oberclin, music; Mrs. N. Wiese, inside publicity.

—o—

The Palm Avenue School PTA Executive Board held its first meeting Tuesday at Palm Avenue School with I. D. Wilder, the new president, in charge.

New officers and chairmen attended. A new budget was discussed and J. W. Riley gave a report of the summer back-yard swim program. Frank Armstrong asked the executive board to protest the off-sale beer license requested by Lucky Stores and he was delegated to attend the hearing and represent the group.

Co-hostesses were Mmes. I. D. Wilder and A. R. Detrez.

—o—

Helix High School PTA Executive Board will meet Monday, September 28, at 7:30 p.m. in the high school library. Final plans will be made for the football dinner, which will be held October 9 in the school cafeteria before the Helix - El Capitan game.

—o—

The Vista La Mesa PTA room mothers met at the home of Mrs. W. L. Ericson, room representative, for a get-acquainted coffee at 10 a.m. on September 18. The requirements, purposes and activities of room mothers were discussed. Plans for the grade level meetings and room teas were made. Grade level meetings will begin Sept. 21 through Sept. 24 at the Vista La Mesa School in the classrooms. Room teas will be held in the room mothers' homes beginning Sept. 28 through October 9.

—o—

The parents and teachers of the Bancroft School held their first PTA meeting last Thursday evening on the school patio. The anual membership drive was set for the week of Sept. 27 to Oct. 1. Donald Brackman, carnival chairman, announced plans for this year's Halloween Carnival to be held on the grounds of the school on Saturday night, Oct. 31. It was announced that Dr. Wm. Rust, president of Cal-Western, will speak at the next meeting to be held at the Mt. Miguel High School library. Classrooms were visited and refreshments were served.

—o—

Two organizational meetings have been scheduled for a new Parent Teachers Association unit at the Avondale Elementary School now under construction at 8401 Stansbury St., Spring Valley.

Donald Barnes, principal of the school now being conducted at several other elementary school locations, said parents of Avondale students were to be invited to the two meetings, 7:30 p.m. Oct. 22 and Nov. 4, to be held at the Mt. Miguel High School cafeteria.

At the first, pre-organizational meeting, Mrs. R. M. Halgren, organization and extension chairman for the Ninth District, PTA, will talk about procedures in establishing a unit at a new school. Committees of parents will be formed at that time to follow through on organizational matters, nomination of officers and the preparation of by-laws, Barnes said, if the group wishes to establish a PTA for the school.

At the Nov. 4 meeting, Mrs. Byron L. Netzley, Ninth District president, will install the officers for the Avondale unit.

Avondale classes currently are being held at Bancroft, Casa de Oro, Spring Valley, La Mesa Dale and Lemon Avenue schools. The new school plant is expected to be ready for occupancy by mid-December at the latest, Barnes said.

—o—

Children of the Spring Valley Elementary School are invited to "Put Your House On The Map," when the PTA holds its annual membership drive, Oct. 5-9.

Mrs. Burke Breedlove, membership chairman, urges all parents to take an active part in the child's school by joining PTA. There will be a map in each school room showing all the streets within the school's boundaries. As each child brings in a membership he will pin a house on the map showing where his own house is located.

There also will be a map of the La Mesa-Spring Valley School District in the school office where the children can watch each school being "put on the map" as it reaches its goal of 100 percent.

Plans for the S.V. Elementary School's annual Halloween carnival are progressing rapidly, according to Mr. and Mrs. Chet Smith, PTA carnival chairmen.

Infant Richwine Dies

The infant daughter of Mr. and Mrs. Harold Richwine, 2456 Hardy Drive, Lemon Grove, died Wednesday of last week at Mercy Hospital.

Graveside services were held at Ft. Rosecrans National Cemetery under the direction of Conrad's Lemon Grove Mortuary.

Scout News

The Boy Scouts of Spring Valley Troop 47 had their annual inspection for re-chartering recently. The boys, who scrubbed and pressed, passed with "flying colors," it was reported. The troop was praised for its efficiency and good record. These annual inspections are necessary for yearly re-chartering. The Spring Valley Friends Community Church is the sponsor of Trop 47. James Godley is Scoutmaster.

At present all patrols in the troop are working toward getting a bike rack for the Bancroft Elementary School.

—o—

Leaders of District 10, Lemon Grove Neighborhood of the Girl Scouts of San Diego County, held their first meeting last Thursday morning at 9:30 at the Lemon Grove Youth Center.

Plans for the October bus trip to Los Angeles were discussed, according to Mrs. Virginia Loveland, district chairman.

—o—

Girl Scout Troop 380 held its first meeting of the new term recently at the Lemon Grove Congregational Church. New officers were elected. They are: patrol leaders, Virginia DeFrate and Lorraine Dweyer; assistant patrol leaders, Connie Evans and Janet Tilton; child care, Ann Marie Keithly; treasurer, Laurel Johnston; musician, Leslie Southwick, and publicity, Susan Brouillette. The leaders are Mrs. J. Southwick and Mrs. I. Johnston. Co-leader is Mrs. F. DeFrate. Committee mothers are Mrs. M. Keithly and Mrs. C. Brouillette. The girls decided that as their service project for the year, they will baby sit for the Golden Avenue and Palm Avenue PTAs.

—o—

Cub Pack 325 of Spring Valley recently held a family campout which they hope to make an annual affair. They left in a caravan of cars a week ago Friday and were joined by the rest Saturday morning. The families of the following people attended: Cubmaster Roy Cones, assistant Cubmaster Pete Wolf, assistant Cubmaster Luke Blevins, Committee man Kenny Harmon, Committeman Jim Carroll, Committeeman Harold Wegner, and Committeeman Johnson. Mr. and Mrs. Brink Sellers and family attended as guest of the pack, as did the parents of Mrs. Harmon.

Although they traded wagons for cars or station wagons and pickup trucks, their cow chip fires for camp stoves and barbecue grills, it still had some of the old west as they parked their automobiles in a circle and all cooked, ate and played together. Committeeman Jim Carroll led the group of children on a hike, assisted by Den Mothers Jean Carroll and Betty Blevins. The Cubs entertained themselves by playing ball while the adults played cards, told tales, and prepared meals. Don Gardner and family joined the pack Sunday for a brief visit.

The pack is now starting its regular den meetings and indoor pack meetings after a summer of outdoor meetings and activities.

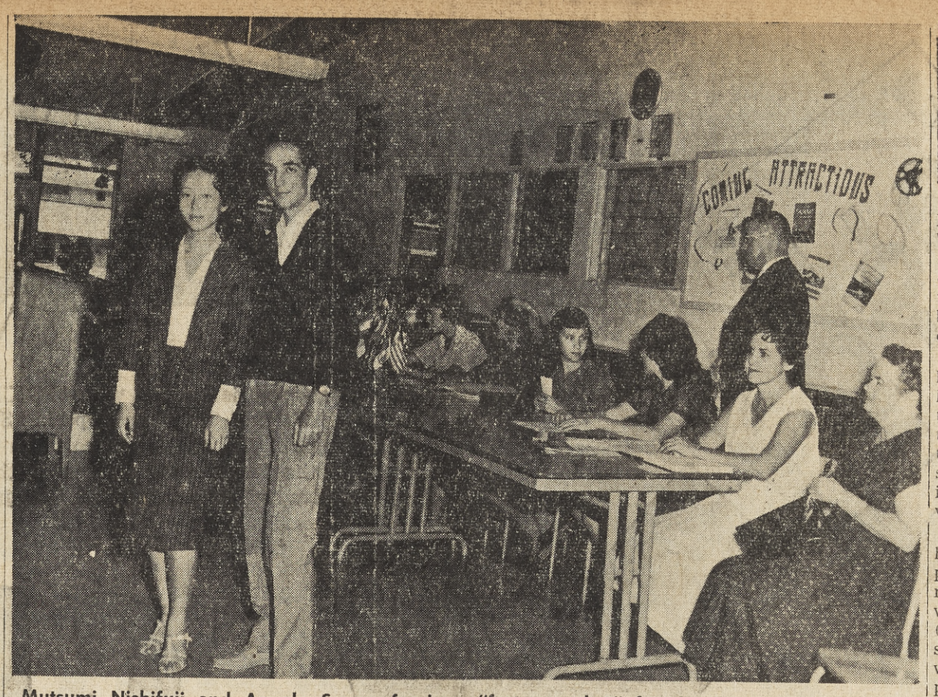
High School to Sponsor '20th Century' Lectures

The faculty of Mt. Miguel High School, along with the Mt. Miguel Booster's Club and the PTA, is presenting to the community a series of twelve lectures entitled 'Introduction To The 20th Century." The lectures, under the direction of Seth Carpenter, department head of Social Studies, Mt. Miguel High, will begin Oct. 12 at 7:30 p.m. and continue every Monday evening, except holidays, until 12 lectures have been presented. No credit will be given on this first series, but the sponsors feel the interest and knowledge gained will be of immeasurable value to those attending.

Subjects for the lectures will include the following: Introduction to World History; Introduction to English Literature; Basic Problems in Psychology of Living (Sociology); Russia and the U.S.A. and many others. The series will be similar to summer seminars given in colleges throughout the country which many business firms sponsor and urge their personnel to attend.

A fee of $1 ($1.50 for husband and wife) to cover cost of materials used (paper, stamps, mimeographing, etc.) will be resuired. Anyone interested may attend all or part of the lectures.

The sponsors would appreciate a community-wide endorsement of this program, and co-operation in publicizing the lectures to friends and neighbors. The lectures are scheduled to be held in the Mt. Miguel library.



Mutsumi Nishifuji and Angelo Sanza, foreign exchange students at Mt. Miguel High School, were introduced last week to the school's faculty. Seated at right is Mrs. D. F. Ellis, Angelo's "foster mother" for the year. Next to her is Mrs. Dwight Putnam, "foster mother" of "Mutsi." At table are student officers of the International Relations Club.

Foreign Students Meet Mt. Miguel Faculty

Two new foreign "exchange" students were introduced Thursday to the faculty of Mt. Miguel High School.

They have been "temporarily Mrs. Morris R. Pion, Xi Beta "adopted" by two Lemon Grove families, with whom they will live during this school year.

The new foreign students are Mutsumi Nishifuji from Kanawaza, Japan, a city across from Tokyo on the Sea of Japan; and Angelo Sanza, from Potenza, near Naples in southern Italy.

They are in the United States under a program sponsored by the American Field Service, an organization which was founded as a volunteer ambulance corps in the First World War.

The Japanese girl, called "Mutsi" by her new family, will live with the Dwight Putnams at 3055 Crane in Lemon Grove. Angelo Sanza will have as his foster family, the D. F. Ellis family of 6641 MacArthur Drive.

At the Thursday faculty meeting, student officers of the Internationiinal Relations Club explained the exchange student program (the local school must raise approximately $650 to pay the expenses of each student—a sum donated locally by an unidentified "angel").

Joyce Martin, Mt. Miguel student who went to Germany last summer as an exchange student, told about her experiences with her "foster family" in Berlin. She was selected in an open competition with other students.

Details of the AFS program were explained by Nancy McCaslin, editor of El Trovador, the school newspaper; Zena Dail, last year's International Relations Club president, and Margaret Dail, incumbent president of the club.

Sewer Assessments To Be Divided By Property Owners

SAN DIEGO (CNS) — Assessments of $13,014 to be divided among 10 property owners for a sewer project in the El Prado Avenue area of Lemon Grove have been approved by the County Board of Supervisors.

Joe E. Rushing, of the public works department, said the cost was higher than the department thought it should be, so property owners had been queried as to their wishes. He reported that seven of the 10 had answered inquiries, and five of those said to go ahead with the project.

Jack Burchett protested his assessment, $2,163, but Rushing reported that Burchett was one who had agreed that the work should be done, even at the higher cost.

Burchett said he had, and added that sewerage facilities were worth $50,000, but he said he still felt his assessment was higher than it should be.

The Board approved the assessments as worked out by the department of public works.

Two Congressmen To Address Club

Congressmen Bob Wilson and James Utt will address the La Mesa Republican Club at 8 p.m. Friday, telling about the 1959 session of Congress.

They also, according to Alfred Q. Paulsen of the club, will outline Republican responsibilities in the 1960 campaign.

W. G. Sloan, club president said that the program is designed to be of interest to all Republicans in the 28th and 30th Congressional districts.

Kid's Day Set For Saturday In S.D. Area

Kiwanis Clubs of Lemon Grove and elsewhere in San Diego area will participate Saturday in a Kid's Day program.

The day-long event starts at 8:30 a.m. with a ferry boat ride. There will be tours of a submarine and destroyer, a yacht ride, free movies, cartoons at selected movie theaters, and speed boat rides.

There will also be a tour of the San Diego Zoo, a tour of Scripps Institute, free swimming in the National City pool, a fishing derby, Marine Corps show, a bicycle parade and rodeo and a variety stage show at Ford Bowl.

In all, 28 Kiwanis Clubs will take part in the Kid's Day project, the tenth in a row.

Lemon Grove youngsters may get a schedule from local Kiwanis Club members. Freeborn Cressy is club president.

Cancer Group To Elect Officers

Officers for the coming year of the San Diego County Branch of the American Cancer Society will be elected at the annual meeting this week on Thursday, at Shelter Island Inn, it was announced today by retiring president, Gilbert V. D. Jones.

In addition, special awards for volunteer workers will be given out at the annual meeting, Jones announced. William Sample, Jr., San Diego airlines executive, is president-elect for the coming year and will be installed along with a new slate of oficers by Jones.

Friendship hour will start at 6:30 p.m. and dinner is scheduled for 7:30 p.m.

Once Over Lightly

by Don Wilson

My wife has lost her rolling pin and I can't decide whether I want to help her find it or not.

A rolling pin, as any American husband will tell you, is used not only for rolling dough but serves also as a sort of disciplinary weapon.

Paula never actually has used her rolling pin on me, but there have been moments in our life together when I wasn't real sure that she wasn't going to. Not that I deserved to be whacked soundly on the noggin, but Paula is a woman who believes in preventive action.

Under most conditions, I'd be happy to hear that the rolling pin was lost — but today Paula remarked that the current cool weather reminded her of autumn (after all, autumn did officially start this week) and autumn always reminds her of pumpkin pies and pumpkin pies are my favorite.

The little lady started mixing things and asked me to hand her the rolling pin.

I'll admit that I had been reading the paper and wasn't paying too much attention, so when she said "Hand me the rolling pin," I jumped behind the sofa as an automatic defensive gesture.

"What'd I do?" I asked.

"Nothing," she said; "I'm going to make a pumpkin pie."

"Hooray," I said, partly over having discovered that I was in no physical danger and partly over having learned that a pie was in the making.

And then I couldn't find the rolling pin.

"Where'd you hide it?" Paula asked.

"I didn't hide it," I said, "though I probably would have if I had thought of it."

"Very funny," she said, and for an instant I was glad the thing was lost.

Paula looked. No rolling pin.

I went out to the storage shed where we have some boxes of things. No rolling pin.

"But I have two of them," Paula said; "one of them must be around here."

We both looked. No rolling pin.

We searched the place from rafter to foundation and still couldn't find a rolling pin.

So right now, Paula is on the way over to a neighbor's to borrow one.

I think I'll go out and water the lawn until I smell the sweet scent of pumpkin pies and see my sweet wife heading back to the neighbor's with the borrowed rolling pin.

She might get to thinking about it and decide that she should teach me to take care of things.

Maybe I'll buy her one of those things that the chefs use to roll out the dough for pizza.

Bolted down to a table like they are, that kind of "rolling pin" would be pretty hard to use as a weapon.

Hollywood Highlights

Donald O'Connor tells of the actor who auditioned for a horror movie — he was the right type, but his blood wasn't. . . . Actor-musician **Al Anthony**, formerly of **Tops Restaurant** and **Channel 10** in San Diego, now has a single out on the Columbia label. Sings on "I Love You So Much It Hurts Me" and plays the organ on the flip side, "My Sister." . . . **Judi Holliday** and **Gerry Mullign** will duet in a jazz album also for Columbia . . . **Disney's** "Third Man on the Mountain" is an excellent film . . . Comes now the starlet who is so phony she can't even say hello without choreography.

"VIRGO" PARTY A BALL

Astrologist **Carroll Righter** hosted his 74th consecutive monthly party at his home the other day for "Virgo's" and their guests. Amongst the celebrities were **Joan Cohn**, widow of ex-Columbia exec **Harry, Mari Blanchard, Dok Roberts, Shelly Fabares** and **Bob Turnbull, Sharon Lee, Bob Hensley, Lady Lawford (Peter's mother)**, L. "CITIZENSHIP"

It is a wonderful priviledge to call ourselves citizens of the United States. There is another priviledge which is even greater and more enduring, citizenship in the Kingdom of God. This citizenship is received through the new birth whereby a person is released from the slavery in sin and made a free man in Christ. Entrance into God's Kingdom is found at the foot of the cross. As you kneel there confessing your sins, a new life of freedom opens before you.

NEW PASTOR — Thomas J. Lasswell will be ordained a minister and installed in the Lemon Grove Congregational Church this Sunday. Mr. Lasswell was born in Chicago, Ill., but moved to Escondido at an early age. He attended Escondido High School, Palomar Junior College and graduated from San Diego State College. He attended Chicago Seminary, graduating in June 1959. Mr. Lasswell is responsible for building a total program of Christian Education of youth and children for the church. He is married to the former Miss Mary Johnson of Escondido. The examination of Mr. Lasswell, by the Ecclesiastical Council of the Congregational Churches of San Diego County, will be held between 4 and 6 p.m. There will be a dinner in Friendship Hall, from 6 to 7:30 p.m. for the visiting guests. Services of ordination and installation will be held from 7:30 to 9 p.m.

Baptist Church Notes

The Casa de Oro Baptist Church will hold its first services in the new church building, 10195 Madrid Way, this Sunday. Sunday School will begin at 9:45 a.m. and worship services at 11 a.m. Rev. Ernest Anderson extends a cordial invitation to the public to visit these services. Formal dedication of the new building will take place at a later date, Rev. Anderson said.

—o—

Rev. Roland Taylor of the First Baptist Church of Brawley, Calif., who brought the Sunday messages to the Spring Valley First Baptist Church, was voted on unanimously as the next permanent pastor of the church. He said Sunday, after the services, that he was most gratified at the congregation's decision. Before accepting the position a few technicalities are to be cleared up, which may take about a week. The church has been without a regular pastor since June, when Rev. Ernest Nichols resigned.

Rev. Edward Price, a retired Baptist minister, originally from Pennsylvania, will bring the morning and evening messages this coming Sunday.

The Woman's Baptist Missionary Society is having "Africa Day" Sept. 29, from 9:45 a.m. to 2 p.m. at the National City First Baptist Church. There will be a luncheon. Several speakers will appear. A nursery will be provided.

Foursquare Church To Celebrate Sixth Anniversary

The congregation of the Community Foursquare Church next Sunday will observe the sixth anniversary since the inception of the church. Services were held for three years in temporary locations, and in 1953 moved to the present location, 2115 Imperial Ave., Lemon Grove.

Rev. Don W. Tinsley brought the church into being and is the present pastor. Rev. Tinsley assumed this post upon graduation in 1953 from the L.I.F.E. Bible College. Together with his pastoring Rev. Tinsley conducts Bible study groups in three neighboring communities.

Special services are planned for the day, beginning in the Sunday School with ground breaking service for the proposed Sunday School annex, Rev. Ben D. Griffith officiating. Rev. Griffith, San Diego District director, also will deliver the morning message.

A Gospel sing will be held from 2:15 to 4 p.m. under the direction of the Melodyairs quartet. In the 7 p.m. service a color-sound missionary film entitled "So Proudly We Hail" will be shown. The public is invited to attend these special services.

Thought For Today

Children's feet should be bathed every day. A brush for the toenails saves time. A little baking soda in the water does a quicker job and soothes the feet.

Retired Printer, Sprightly Lady Wed in Desert

Moses E. Johnson, 70, a retfred printer who lives at 1555 Presioca in Spring Valley, eloped last week with a sprightly young lady (72-year-old Anita Black) from La Jolla.

They were married in the Presbyterian Church in Holtville with the bride's friends, Mr. and Mrs. A. A. Willis of that city, "standing up" with the new couple.

"I go down to Holtville every year about this time to pick dates," the new Mrs. Johnson said, and when Mr. Johnson asked me to marry tim, I thought it would be nice to have my friends stand up with us.

The newlyweds toured the shops in Mexicali while in the Imperial Valley, then returned to their Spring Valley home, where Mr. Johnson has lived for the past 10 years.

RAINBOWS — Kathy Sileneck, daughter of Mr. and Mrs. William Sileneck, 2641 Bonita St., Lemon Grove, will be installed Worthy Advisor of the Lemon Grove Assembly No. 172, Order of the Rainbow for Girls. The ceremony will be held Saturday at 7:30 in the La Mesa Masonic Temple Other elected officers to be installed are: Worthy Associate Advisor, Janice Hill; Charity, Anne Pelczar; Hope, Joleen Booth; Faith, Nancy Steiding; Recorder, Marge Holsclaw; and Treasurer, Pat St. Romaine. Appointed officers are: Janet Stewart, Celia Jader, Susan Masler, Karen Dahl, Beverly Holsclaw, Carolyn Denlinger, Nancy Allen, Brenda Broadway, Judabeth Baumeister, Lyn Moore, Kathy Taylor, Terri Anne Wilson, and Gayle Johnson.

Optimists Meet At Bowlero

A warm welcome was given the Lemon Grove Optimist Club recently for its first meeting at the new Lemon Grove Bowlero. Good food and an enlightening program were the highlights of the evening. Members viewed a film and commentary on the St. Louis Cardinals baseball team.

Vice President Claude Sarvis presided in President Bob Sherwood's absence. Lt. Governor Harry Wilson, local businessman, and Past District officer Dr. Lloyd Adams were guests for the evening.

The Lemon Grove Optimist Club has 2 teams bowling in the Progressive League at the Bowlero on Tuesday evenings.

Church Families Plan Big Outdoor Weekend

The congregation of the Warner Memorial Evangelical United Brethren Church is planning an all-church family camp in the Laguna Mountains this coming weekend. The families will set up their camping equipment in one area, and will enjoy fun and fellowship together. On Sunday morning they will all meet for their worship service.

Rev. A. Philip Strickler is pastor of this church, which was originally a mission outreach of the First E.U.B. Church, at 33rd and Meade, San Diego. They are currently meeting at 4207 Palm Ave., La Mesa, while plans are being formulated for their new church building to be erected on their lot on Campo Road, Spring Valley.

Sunday School with classes for all ages begins at 9:30 a.m., with morning worship following at 10:45. During the worship hour two Children's Churches are held, for beginner and junior ages. In the evening the Youth Fellowship meets at 6 p.m. and evening services are at 7.
